### REMARKS

The month of publication for document AV could not be determined. The year of publication for this document is sufficiently earlier than the effective US filing date and/or the foreign priority date of the present application so that the particular month of publication of the document is not in issue (MPEP 609).

The Examiner is respectfully requested to consider the enclosed document identified in this paper and in the attached Form PTO/SB/08B during the course of examination of this application.

Respectfully submitted,

HOWSON AND HOWSON
